Dear Mrs. & Mr. Thompson,

Thank you, for taking the time to share your concerns regarding the faith-based school funding platform policy in the recent election campaign, it is greatly appreciated.

The Ontario PC Caucus gathered together after the election and it was decided that we will not pursue the policy of faith based education any further. It was felt that the electorate made their position very clear and it is our responsibility to respect and adhere to their wishes.

The Ontario PC Party will be turning to our grassroots for policy proposals that are relevant to them and that will benefit our communities and our province. To that end, we are holding a Policy Conference in London, Ontario in February of 2008.

In the meantime, my caucus colleagues and I will continue to hold the McGuinty government accountable in the Legislature for the direction they are taking the province of Ontario.

Kind regards,

Robert W. Runciman, MPP
